

Shorewood Pool News - 2017

- 1. SWIM/DIVE LESSON INFO:** Swim/Dive lesson class rosters will be posted at the pool on opening day. **If you do not receive your first choice of class, you will be contacted by email, before May 20.**
- 2. Please check out our website at: www.shorewoodpool.com.** It provides useful information on everything related to the pool, including daily updates on the home page. **PLEASE consider using the website to sign-up for regular e-mail notices from the pool management.**
- We have continued the **“Family Swim” period on Friday evenings, beginning June 16th**. Each Friday evening, at 4:00 PM, the pool will be converted to a short course set-up, allowing for a large area of the shallow end to be used by families. Lap swimming will be preserved in the short course format.
- We will be having **Float Nights** on **June 11th, July 9th, AND August 20th**, from 6:00 PM – 8:00 PM. The pool will be converted to a short course format, allowing for a large area of the shallow end to be used for the floats. We will provide a number of floats for your relaxation, however you may also bring your own (please be sure that they are clean and have never been in the lake – they must also be sized for no more than one person).
- Want to get out of the office? Here’s a reminder that we provide FREE **wireless internet access** at the pool.

Note that the swim meet will be running during this time which means the pool will be crowded and parking will be difficult. There will be no open swim during the meet.

NOTE: Home swim meets generally end around 12:00 – 12:30 PM, however this time may be later depending on the size of the meet.

NOTE: The East (deep) end of the pool will re-open following the completion of the dive meets. This is typically around 7:30 PM, and is also subject to change depending on the size of the meet.

NOTE: For all home dive meets, the pool will be converted to a short course format at 4:00 PM
