

2025 2nd Session Lesson Registration

Hello, Shorewood Hills Pool members! This is a reminder that 2nd session swim lesson registration will begin Sunday June 29th at 10:30am CT.

1. Registration will open on **Sunday June 29th, at 10:30am CT**. You'll open a SignUpGenius form (<https://www.signupgenius.com/go/10C0B44AFA62DAAFBCF8-57408145-2ndsession>) and use the code **SWS2**.
2. You'll select the time and level you want for the first child you're registering. On the next screen, enter your name (the parent or guardian), your phone number, your child's name (first, last), and their age.
3. If you are registering multiple children, fill out the form again by clicking Back to Sign Up.

(Participants must be able to attend a minimum of 7 of the 12 lesson days in order to register.)

SignUpGenius will show the number of slots available. **Registration ends Thursday July 3 at 12pm.**

To keep registration running smoothly, please keep the following in mind:

1. Participants cannot sign up for both dive and swim lessons.
2. Dive team participants cannot take dive lessons.
3. Participants cannot be signed up for multiple lessons, whether that's the same level at different times or different levels at the same time.
4. After registration begins, we will adjust class sizes once we evaluate numbers. If the class you'd like to register for is full, more spots may become available after registration starts.

Please refrain from calling Village Hall or the Pool with questions and instead complete the form linked below and the pool manager will reach out to you. <https://forms.gle/2ktd1NorFFb6zvrd8>

If you have lesson questions unrelated to any issue with registration or need confirmation on lesson registration, please wait until the afternoon of Sunday 6/29 to send an email with these questions. SignUpGenius will send you an email confirmation after your registration.

Sign-Up Link and Code

(<https://www.signupgenius.com/go/10C0B44AFA62DAAFBCF8-57408145-2ndsession>)

Code: **SWS2**

If your child is a part of "4 Corners" swim lessons through the village, this registration process is not needed.
